

## 2022 Camp Cove Class Descriptions

### **Mighty Minis (Ages 2's) Total-8 RM-S106**

Let's make our first camp experience the best it can be! Come make new friends as we learn through imaginative play together. Group time, art, stories, music and movement, and crafts will keep us busy all day. Children in our Mighty Minis classes do not have to be toilet-trained.

### **Mighty Minis (Ages 3's) Total-8 RM-S108**

Let's make our first camp experience the best it can be! Come make new friends as we learn through imaginative play together. Group time, art, stories, music and movement, and crafts will keep us busy all day. Children in our Mighty Minis classes do not have to be toilet-trained.

### **Little Picasso's (Ages 3-4) TOTAL-12 RM-S105**

Your budding artist will experiment with different styles of art from finger painting to sculpting to making collages and more. At the end of the week, we will exhibit their work with an art show.

### **Lab Rats (Ages 3-4) TOTAL-12-RM-S101**

Hands on fun, science projects will spark learning and discovery in our most junior scientists. Your explorers will have loads of hands-on fun with high touch experiments.

### **Little Stemtastic (Ages 3-4) TOTAL-14-RM-S103A**

Using STEM project based learning, campers will be engaged by frequent hands-on activities geared towards combining each of the STEM disciplines (Science, Mathematics, and Engineering).

### **Little Culinary Creations (Ages 3-4) TOTAL-12-RM-S110**

Your little chefs will use all of their senses to create recipe books, design aprons, make their own snacks, and decorate cupcakes (on the last day)! They will also learn about different foods and taste test lots of healthy ingredients.

### **Picasso's (Ages 5-6) TOTAL-18-RM-LOFT COMMOMS**

Your budding artist will experiment with different styles of art from finger painting to sculpting to making collages and more. At the end of the week, we will exhibit their work in an art show.

### **Culinary Creations (Ages 5-6) TOTAL-18-RM-LEFT SIDE OF LOFT WORSHIP**

Your little chefs will use all of their senses to create recipe books, design aprons, make their own snacks, and decorate cupcakes (on the last day)! They will also learn about different foods and taste test lots of healthy ingredients.

### **Mad Science (Ages 5-6) TOTAL-16-RM-S102**

Who doesn't love being a mad scientist? From making slime to testing out color mixing, our campers will love this high-touch experience. Our little scientists will make predictions and use every-day ingredients to create some science fun!

### **Stemtastic (Ages 5-6) TOTAL-16-RM-RIGHT SIDE OF LOFT WORSHIP**

Using STEM project based learning, campers will be engaged by frequent hands-on activities geared towards combining each of the STEM disciplines (Science, Mathematics, and Engineering).

### **Story Books Come Alive (Ages 5-6) TOTAL-14-RM-S103**

Step into a world of make-believe where our favorite books come alive everyday! Campers will create crafts and tell stories using dramatic play, songs, and imagination. Join us as we explore fairy tales old and new with a variety of hands-on STEM activities to keep your camper curious and challenged happily ever after.
