Money Talks ... Keep Track

Matthew 25:14-30

What would your money say?

The **first** thing your money would say ...

I can **add meaning** to your life, but I am not the **meaning** of **life**.

To what **end** do we want our life to be a **means**?

The **second** thing your money would say ...

I am a better **servant** than **master**.

In the end, your **self-control** determines which of us gets **control**.

I will go wherever you **send** me.

The **third** thing your money would say ...

I am easy to **keep** up with, but I am difficult to **catch** up with.

Keep up or you will be playing **catch** up.

Are you **know'n** where your money's **go'n**!

The Parable of the Talents

For it will be like a man going on a journey, who called his servants and **entrusted to them his property**. Matthew 25:14

What percentage of the wealth belonged to the **man**? **100%**

And what percentage belonged to the **servants**? **0%**

We are **managers**, not **owners**.

The **earth is the Lord's** and **the fullness thereof**, the **world** and **those who dwell** therein ... Psalm 24:1

To one he gave **five** talents, to another **two**, to another **one**, to each according to his ability. **Then he went away**.

Matthew 25:15

Now after a long time the **master** of those servants came and **settled accounts** with them.

Matthew 25:19

His master said to him, '**Well done**, good and faithful servant. You have been faithful over a little; I will set you over much. Enter into the joy of your master.'

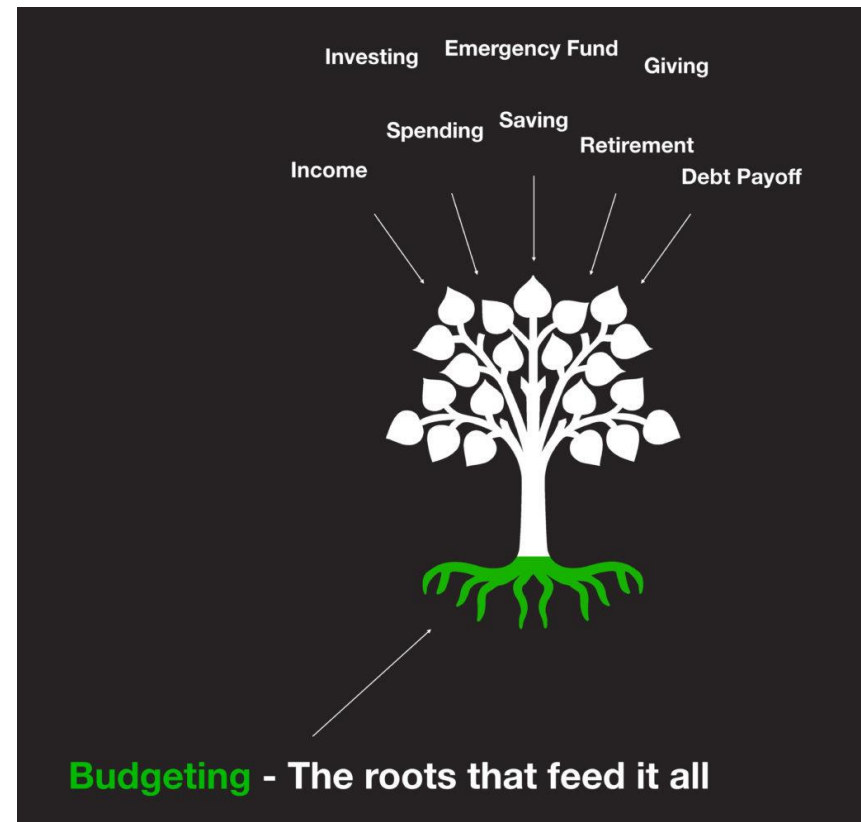

Matthew 25:21

*One reason people resist change is because they **focus** on what they have to **give up**, instead of what they have to **gain**.*

Start a **budget**, make a **plan** and track your **spending**.

*A budget is **telling** your money **where to go** instead of **wondering where it went!*** Dave Ramsey

The best way to **stick** to your budget ... is to **start** one.

Two-month challenge – **track your money** ... spy on it. **See where it went.**

*Whether you think **you can** or think **you can't, you're right.*** Henry Ford

What will you **do** with what has **been given** you?
